WHAT IS BBM COIN?

Bong bong Marcos 'BBMCOIN' is a deflationary token made by supporters of Bongbong in this upcoming election. As he seek the highest position in the Government, we as his supporters can show our support by simply buying this token.

Our goal is to raise funds that can be used for further campaign of Bongbong Marcos. We will donate the fund that will be generated to the groups that is campaigning for Marcos as our president especially the UNITEAM.

TOKENOMICS

LIMITED PRESALE

Only 220,000 BBMCOIN will be available for presale from April 22 to April 29.

INCREASE VALUE

The BBMCOIN will likely increase its value before the May 9 presidential election.

MILESTONE TOKEN BURNING EVENTS

As we grow and acquire more holders, we will be burning large amounts of tokens to reduce the supply of BBMCOIN and thus increase its value.

Road Map

Bongbong Marcos BBMCOIN, will going to release an exclusive NFT collection. A total of 81 NFT shall be released in the marketplace. The number of NFT signifies the number of provinces in the Philippines. Every NFT will be minted to assure the uniqueness and originality.

We plan on having a crowd share feature allowing NFT's to be sold and owned fractionally by multiple investors. Our goal is to make NFT's more accessible to users who otherwise can't afford a whole NFT. We will allow users to create their own NFT, and trade them in the marketplace. In this way, investors can also showcase their talent in arts.

MARKETING STRATEGY

We will coordinate with all Bongbong Marcos supporter groups to gather support on this project. The more to join this project the more funds we generate for Bongbong Marcos campaign for the position of Presidency.

We will also coordinate to every known individuals, politicians, businessman and even celebrities that support BBM as our president for their help in spreading awareness of this project.
